

Curriculum Vitae

Irene Görzer, PhD, PD

Center for Virology
Kinderspitalgasse 15, 1090 Vienna

Phone: +43 1 40160 65573

E-mail: irene.goerzer@meduniwien.ac.at

Academic Education and Professional Career

- 04/2014 Habilitation for Virology, Medical University of Vienna, Austria
- Since 01/2003 Research associate at the Department of Virology, Medical University of Vienna, Austria
- 10/2002 – 12/2002 Post-doctoral position at the Institute of Cancer Research, University of Vienna, Austria
- 02/1999 – 09/2002 PhD Studies of Genetics, University of Vienna, Austria
Thesis: „*Functional characterization of the actin-related protein Act3p/Arp4 of S. cerevisiae by genetic and biochemical analyses of its putative ATP binding pocket*“ (Institute of Cancer Research, Vienna)
- 10/1991 – 12/1998 Master Studies of Microbiology, University of Vienna, Austria
Thesis: „*Einführung nicht-selektionierbarer Punktmutationen in das Desmin-Gen von embryonalen Stammzellen der Maus*“ (Institute of Biochemistry, Vienna)

Postgraduate training

- 09/2014 19th International Bioinformatics Workshop on Virus Evolution and Molecular Epidemiology, Large Dataset Analysis
- 03/2007 The Art of Lecturing – Intensive course on scientific presentation at the Medical University of Vienna
- 09/2004; 09/2006 10th and 12th International Bioinformatics Workshop on Virus Evolution and Molecular Epidemiology, Basic and Advanced Module
- 10/2005; 05/2006 Courses on general and specific statistical methods at the Medical University of Vienna
