

## EDUCATION

---

- Sep 2017 – now **Vienna General Hospital, Medical University of Vienna, Austria**  
*Residency | General Surgery*
- Oct 2010 – Mar 2017 **Medical University of Vienna, Austria**  
*Thesis: "Caesarian section or vaginal birth in teenage pregnancies: a retrospective data analysis"*

## CLINICAL EXPERIENCE

---

- Jul 2016 **Boston Children's Hospital, Harvard Medical School, USA**  
*Clinical elective | Pediatric plastic & oral surgery*
- Apr 2016 - Jul 2016 **Pennsylvania Hospital, University of Pennsylvania, USA**  
*Clinical elective | Internal medicine; Hematology/Oncology, Cardiology, Nephrology*
- Nov 2015 - Mar 2016 **Vienna General Hospital, Medical University of Vienna, Austria**  
*Clinical clerkship | Internal medicine; Rheumatology*
- Aug 2015 - Nov 2015 **Vienna General Hospital, Medical University of Vienna, Austria**  
*Clinical clerkship | General Surgery*
- Nov 2014 **Clinical Center of Serbia, Medical University Belgrade, Serbia**  
*Clinical elective | ENT & Ophthalmology*
- Oct 2014 **KK Women's & Children's Hospital, National University Singapore, Singapore**  
*Clinical elective | Gynecology & Obstetrics*

## LEADERSHIP EXPERIENCE

---

- Oct 2013 - Aug 2014 **Dig Deep Africa, Vienna, Austria**  
*Volunteer | Fundraiser & Team Leader*

## RELEVANT QUALIFICATIONS, SKILLS & ACTIVITIES

---

- Relevant Qualifications:** USMLE Step 3, USMLE Step 2 CS, USMLE Step 2 CK, USMLE Step 1
- Languages:** Native – Serbian; Fluent – English, German; Basic – French
- Activities & Interests:** Contemporary Dance, Tennis, Piano.

## RESEARCH

---

- Jan 2020 **Ineffective Esophageal Motility in Patients with GERD is no Contraindication for Nissen Fundoplication.**  
Nikolic M, Schwameis K, Kristo I, Paireder M, Matic A, Semmler G, Semmler L, Schoppmann SF. *World J Surg* 2020, **44**(1):186-193
- Dec 2019 **Tailored modern GERD therapy – an algorithm to personalized anti-reflux surgery**  
Nikolic M, Schwameis K, Paireder M, Kristo I, Semmler G, Semmler L, Steindl A, Mosleh BO, Schoppmann SF. *Sci Rep* 2019, **9**(1):19174.
- Apr 2019 **Persistent dysphagia is a rare problem after laparoscopic Nissen fundoplication.**  
Nikolic M, Schwameis K, Semmler G, Asari R, Semmler L, Steindl A, Mosleh BO, Schoppmann SF. *Surg Endosc.* 2019 Apr;**33**(4):1196-1205. doi: 10.1007/s00464-018-6396-5. Epub 2018 Aug 31.
- Jun 2019 **Modern Esophageal Function Testing and Gastroesophageal Reflux Disease in Morbidly Obese Patients.**  
Kristo I, Paireder M, Jomrich G, Felsenreich DM, Nikolic M, Langer FB, Prager G, Schoppmann SF. *Obes Surg.* 2019 Jun 14. doi: 10.1007/s11695-019-04020-1
- Oct 2018 **Results of Magnetic Sphincter Augmentation for Gastroesophageal Reflux Disease.**  
Schwameis K, Nikolic M, Morales Castellano DG, Steindl A, Macheck S, Kristo I, Zörner B, Schoppmann SF. *World J Surg.* 2018 Oct;**42**(10):3263-3269. doi: 10.1007/s00268-018-4608-8.
- May 2018 **Crural Closure improves Outcomes of Magnetic Sphincter Augmentation in GERD patients with Hiatal Hernia.**  
Schwameis K, Nikolic M, Castellano DGM, Steindl A, Macheck S, Riegler M, Kristo I, Zörner B, Schoppmann SF. *Sci Rep.* 2018 May **9**;8(1):7319. doi: 10.1038/s41598-018-24322-
- Aug 2017 **Update on the management of Barrett's esophagus in Austria.**  
Riegler M, Kristo I, Nikolic M, Rieder E, Schoppmann SF. *European Surgery.* 2017 Aug; **6**: 49. doi: 10.1007/s10353-017-0504-y.
