

Curriculum vitae

Name: Attarbaschi Andishe

Title: Professor Dr. med. univ.

Current position: Head of Department of Pediatric Hematology and Oncology 2A at St. Anna Children's Hospital Kinderspitalgasse 6, 1090 Vienna
Tel.: 0043-1-40170-9117; Fax- 3200
Email: andishe.attarbarbaschi@stanna.at

Date of Birth: 21st August 1976

City of origin: Vienna

Nationality: Austria

Languages: German, English, Farsi

ORCID: 0000-0002-9285-6898

Education: Primary School and High School: Brüder der christlichen Schulen in Strebersdorf, A-1210 Vienna (1982–1994)
Final examination: 13th June 1994 (cum laude)

University: Medical University of Vienna (1994–2000): Graduation to Medical Doctor: 08.06.2000

Thesis:
„A population-based review of Austrian children treated for T-cell neoplasia (T-cell ALL / T-cell NHL) since 1981 / 1986” under Supervision of Prof. Dr. H. Gadner

Civil Service: St. Anna Children's Hospital: Jan. 2000–Feb. 2001

Medical Training: **Pediatrics and Adolescent Medicine**
(May 2001–May 2007)

Hospital „Die Barmherzigen Brüder Wien“

Internal Medicine:	6 months
Gynecology and Obstetrics:	3 months
Surgery:	3 months

St. Anna Children's Hospital:
Ear-nose-throat (ENT) medicine: 2 months

Univ. Clinics for Dermatology:
Dermatology: 2 months

Orthopedics Hospital Speising:

Orthopedics/orthopedic surgery: 3 months

Pediatrics and Adolescent Medicine: since 1st May 2002:

St. Anna Children's Hospital and

Univ. Clinics for Pediatrics and Adolescent Medicine

General Pediatrics and Adolescent Medicine:

Department 4A: 3 months

Department 4B: 6 months

Department 3A: 3 months

Department 3B: 1 months

Pediatric Hematology and Oncology:

Departments 2A, 2B & neuro-oncology: 22 months

Allogeneic Stem Cell Transplantation:

(Malignant, histiocytic, hematologic & immunodeficiency disorders)

Department 1A: 18 months

Final examination: 14th October 2006

Education finished: 31st May 2007

Subspecialisation in Pediatric Hematology and Oncology

1. June 2007–31. October 2009

Professional career:

11th March 2008: Habilitation: Venia docendi for Pediatrics and Adolescent Medicine:
Title: Privatdozent = Associate Professor

since March 2009: Reference cytomorphologist in Pediatric Hematology and Oncology in Austria

since 1st April 2009: Senior Consultant in Pediatrics & Pediatric Hematology and Oncology at St. Anna Children's Hospital

since 1st April 2009: Head of Department of Pediatric Hematology and Oncology 2A at St. Anna Children's Hospital (highest level of care)

since 1. Nov. 2009: Certificate in Pediatric Hematology and Oncology (1st in Austria since its introduction)

since Dec. 2010: Official responsible physician for training of fellows and residents at St. Anna Children's Hospital

- Jan. 2011: 2 years: Consultant for cooperative activities of St. Anna Children's Hospital and St. Anna Children's Cancer Research Institute (CCRI) incl. organization of a Joint Poster Symposium of both institutions
- since July 2011: Senior consultant on call at St. Anna Children's Hospital for Pediatrics & Pediatric Hematology and Oncology (highest level of care)
- Transplant-on-call for Department of Stem Cell Transplantation 1A (highest level of care) at St. Anna Children's Hospital
- since March 2014: Responsible physician for training of medical students during their Clinical Practical Year at St. Anna Children's Hospital
- since June 2014: Member of Ethics Committee of the Medical University of Vienna for the field of Pediatrics and Adolescent Medicine
- since 2014: Austrian representative in the Ponte-di-Legno Toxicity Working Group (toxicities of ALL therapies)
- 20th Dec. 2016: Ranked #1 by Search Committee for full Professorship in Pediatric Hematology and Oncology of Department of Pediatric Hematology and Oncology at the Medical University of Graz
- since Sept. 2017: Member of the Editorial Board of "Pediatric Blood and Cancer"
- since October 2017: Deputy Study Coordinator for education of medical students at St. Anna Children's Hospital
- Nov. 2018–April 22: Vice Chair of COST (European Cooperation in Science and Technology) Action CA16233: LEGEND: LEukaemia GENe Discovery by data sharing, mining and collaboration (26 publications)
- since January 2019: SIOP – Europe Board Member (responsible for education)
- since April 2019: Member of the Editorial Board of “Frontiers in Pediatrics – Pediatric Hematology and Hematological Malignancies”
- since 2019: Management of whole Department of Pediatric Hematology and Oncology at St. Anna Children's Hospital on an ad hoc basis as stand-in of the Medical Director Prof. W. Holter and his deputy Dr. M. Dworzak
- Management of whole Department of General Pediatrics at St. Anna Children's Hospital on an ad hoc basis as stand-in of the Medical Director Prof. W. Holter and his deputies Dr. M. Dworzak and Dr. E. Pracher
- Deputy of vice Director Dr. M. Dworzak for Pediatric Hematology and Oncology at St. Anna Children's Hospital

- since Feb. 2021: Official Study Coordinator for education of medical students at St. Anna Children's Hospital
- since 2022: Member of the Editorial Board of "European Journal of Cancer – Pediatric Oncology": Section Editor for Haemato-Oncology
- since 2022: Primary Austrian representative in the Ponte-di-Legno Study Group focusing on rare subtypes of ALL
- since April 2022: Coordinator of Senior Mentoring at St. Anna Children's Hospital
- since Sept. 2022: SIOPE Member of the Steering Committee of ALADIN (Multi-stakeholder Education Alliance to Accelerate Drug Development for Children and Adolescents with Cancer)
- 18th October 2022: Professor in Pediatrics and Adolescent Medicine / Pediatric Hematology and Oncology at the Medical University of Vienna
- since January 2023: Member of the Editorial Board of the Austrian Journal "Pädiatrie and Pädologie"
- since January 2023: Reviewer for Ethics Committee of the Medical University of Vienna
- since March 2023: Expert Panel Member for ALL & NHL in the iLTB (International Leukemia Target Board) organized by PMC in Utrecht
- since March 2023: Member of the i-BFM Advisory Board
- since April 2023: Supervisor status in the Doctoral Programme in Applied Medical Science UN790 at the Medical University of Vienna: Thematic programme: Clinical and Experimental Oncology
- April 2023: Invitation by the Steering Committee of the 55. International SIOP Congress (Ottawa, Canada, 11.-14. October 2023) as an Abstract Reviewer for "Rare tumors and histiocytosis".

Scientific career at St. Anna Children's Cancer Research Institute (CCRI):

- Nov. 1997–April 99: Laboratory Prof. Dr. P. Ambros (Neuroblastoma)
- since January 2000: S2IRP (Studies and Statistics on Integrated Research and Projects) (Prof. Dr. R. Ladenstein)
- since May 2000: Leukemia Laboratory Prof. Dr. OA Haas / Dr. S. Strehl
- Jan. 2008–June 2019: Leukemia Laboratory Prof. Dr. R. Panzer-Grümayer
- since 2013: Independent scientific work as affiliated investigator in the field of ALL, NHL and HL

since January 2020: Physician scientist appointment to the St. Anna CCRI

Scientific interests: Acute lymphoblastic leukemia, non-Hodgkin's lymphoma, Hodgkin's Lymphoma (all rare diseases); supportive care & toxicities

Rare diseases of interest:

Rare subtypes of pediatric and adolescent NHL

Rare subtypes of pediatric ALL

Infant ALL / ABL-class-fusion-pos. ALL

Post-transplant lymphoproliferative diseases (PTLD)

Leukemia and lymphoma patients with predisposition disorders

Nodular lymphocyte-predominant Hodgkin's lymphoma (NLPHL)

Scientific Metrics:

Results

2a

No. of publications in peer-reviewed journals: 192

Original articles: First Author: 22

Co-Author: 130

Corresponding / Last Author: 19

Letters to the Editor: 10

Case reports: 10

Commentary: 1

H-index: 41 (Scopus)

Citations: 5901 (7.4.23); **last 5 years+2023:** 3660 (7.4.23; =62%)

2

No. of current research projects / trials: 43

Acute lymphoblastic leukemia: 18

Non-Hodgkin lymphoma: 14

Hodgkin lymphoma: 6

Immunology: 3

Others: 2

No. of up-coming international trials with large-scale research studies: 7

2a

No. of publications in non-peer-reviewed Journals: 29

2b

Editor of a text book: 1 (NHL)

2b

Book Chapters: 19 (incl. 8 chapters in WHO books)

2c

1st author/Co-Author of AWMF guidelines and SOPs: 46

2d

No. of oral presentations / talks: 190

2e

Served as reviewer in peer-reviewed Journals: 18 different journals

2e

Served as reviewer for foreign funding organiz.: 5 organizations

- 2e **Served as reviewer of promotions to the rank of Prof.:** 1
- 3h **No. of supervised diploma theses:** 6 students; **co-supervised:** 1
- 3h **No. of supervised dissertations (Med. Faculty - Uni. Vie.):** 2 students
- 3h **No. of diploma theses students who are currently supervised:** 4
- 3h **Member of Thesis Committee (UN094):** 1 student
- 4a **Competitive funding:** 387.285,00€
COST-Legend (vice chair): 6.513,65€
 (Whole COST budget: 415.628,70€)
393.798,65€
- HORIZON-MISS-2023-01-03:**
Interfant-21 Study 129.519,70€ (pending)
- Non-competitive funding of ALL & NHL & HL trials by CCRI since 2015:** >1.500.000,00€*
- 4b **Industry grants:** 12.880,00€
- 4f **Editorial board positions:** 4 Journals

* Due to specific role of the CCRI for pediatric cancer studies, all front-line and 1st relapse trials for ALL, NHL and HL were and are unrestrictedly funded by the CCRI. During the last 10 years I was the PI or Co-PI of trials enrolling overall 800 ALL, 150 NHL and 150 HL pts. (see trials below).

Training and Education: Attachments 3a–3l:

St. Anna Children's Hospital
 Medical University of Vienna
 Medical University of Vienna for Children
 Music University of Vienna (2014S–2019S: Sum of ant. SStd: **2,0**)
 Medical University of Ulm
 European School of Oncology
 European Society of Pediatric Oncology

Representation of Pediatrics & Pediatric Hematology and Oncology as a Teacher in the Medical Curriculum of MedUni Vienna:

Block 16 (Infancy, Childhood and Adolescence)
 Tertial Pediatrics (Coordinator and Mentor St. Anna)
 SSM3 (Seminar on scientific methods)
 Clinical Practical Year (Coordinator and Mentor St. Anna)
 Senior Mentor
 Master of Science: Molecular Precision Medicine Module 5
 Elective Subject: Pediatric Hemato-Oncology

Supervision of Diploma Theses
Examiner of Diploma Theses
Supervisor UN790 (Clinical and Experimental Oncology)
Examination questions for curriculum of MedUni Vienna
2005W–2022W: Sum of ant. SStd.: **44,36**
Evaluations: Number of students with evaluations: **n=575**
Assessment of the teacher: 1=very bad; 6=very good
Results: Median: **6.0**

National recognition and positions: Attachment 4c:

Summary of national positions in Austria:

National chair in Austria for childhood and adolescent ALL, NHL, Hodgkin's lymphoma and PTLD

Study Coordinator (C) and Principal Investigator (PI):

Austrian ALL and Lymphoma Studies (app. 100 pts./year):

ALL frontline trials / registry

AIEOP-BFM ALL 2009 (C / Co-PI)	INTERFANT-2021 (PI)
AIEOP-BFM ALL-2017 (PI)	INTERFANT-Blina (PI)
AIEOP-BFM ALL-2025 (PI)	EsPhALL-COG 2013 (PI)
EsPhALL-COG 2023 (PI)	Ph+ ALL Registry (PI)

1st ALL relapse trials / registry

IntReALL SR 2010 (PI)	IntReALL HR 2010 (PI)
ALL-Rez. BFM-Registry (PI)	IntReALL BCP 2020 (PI)

NHL frontline trials / registry

NHL-BFM NOPHO 2013 (PI)	LBL-2018 (PI)
ALCL-VBL 2017 (PI)	NHL-BFM Registry (PI)

Hodgkin's disease frontline trials / registry

EuroNET-PHL-LP1 (PI)	EuroNET-PHL-C2 (PI)
GPOH-HD Registry (PI)	

Coordinator of CAR-T-cell therapies at St. Anna Children's Hospital and within the Austrian CAR-T-cell Network for childhood ALL

Principal or Co-Investigator in Phase 1/2 Studies:

Principal investigator:

ITCC NECTAR (Nelarabine) (ALL)
ITCC Bortezomib (ALL)
ITCC Carfilzomib (ALL)
Blinatumomab in 1st HR-ALL relapse
CAR-T-cells in r/r mature B-NHL
ITCC Brigatinib Pediatrics (ALCL)
HAEM-iSMART (ALL, LBL)
GLO-B-NHL (B-NHL)

Co-Investigator:

Dasatinib (pediatric cancer)

CLARA-DNX (AML)

Inotuzumab-Ozogamicin (IntReALL)

International recognition and positions: Attachment 4d:

Summary of international positions:

Board Member of SIOP Europe (European Society of Pediatric Oncology)
Member of Executive Board of i-BFM (Berlin-Frankfurt-Münster) Study Group
Chair of NHL i-BFM Committee
Member of the international Study Committee and Board Member of EICNHL
Chair of the rare NHL Committee of EICNHL
Austrian representative in the Ponte-di-Legno Study Group (rare ALL subtypes)
Austrian representative in the Ponte-di-Legno Toxicity Working Group
ERN PaedCan Project: responsible for Education and Training
Member of the NHL-BFM Study Committee
Member of the international Steering Committee of the AIEOP-BFM ALL SG
Member of the ALL-BFM Study Committee
Member of the international Steering Committee of the Interfant Study Group
Member of the international Study Committee of the EsPhALL Study Group
Member of the international Study Committee of the EuroNET-PHL SG
Member of the GPOH-HD Study Committee
Member of the international Study Committee of the IntReALL Study Group
Member of the ALL-REZ BFM Study Committee
Member of ITCC (Innovative Therapies for Children with Cancer)
Member of the Steering Committee of ITCC for leukemia and lymphoma
Member of the Scientific Working Group of EHA for infections in hematology
Member of the Scientific Working Group of EHA for pediatric hematology
Member of CCRI Team for the EC-funded H2020 Project CLOSER (Childhood Leukemia: overcoming distance between South America and Europe Regions)

International work experience: attachment 4d:

since 2009: reference physician for leukemia and lymphoma patient care for the University Children's Hospital Belgrade, Serbia

since 2014: Developmental aid in Chisinau, Moldavia, for establishment and structural organization of the Department of Hematology and Oncology honored by the Ministry of Health with an Award (attachment 4g)

since 2018: developmental aid in Bratislava, Slovakia, for establishment and structural organization of the Department of Hematology and Oncology

Leadership and management experience: attachment 5:

since 2003: 1st Author / Co-Author of 44 Standard-Operating-Procedures at St. Anna

Children's Hospital (attachment 2c)

since 2005: Conduct of leukemia and lymphoma phase 3 multi-center trials in Austria and phase 1/2 trials at St. Anna Children's Hospital (see above)
Supervision of a Team of 6 Clinical Research Associates as co-workers at St. Anna CCRI

since 2009: Head of Department of Pediatric Hematology and Oncology 2A at St. Anna Children's Hospital (highest level of care; since April 2009)

5 physicians	1/3 music therapist	1/3 ergotherapist
19 nurses	1/3 art therapist	1/3 social worker
1 psychologist	1 physiotherapist	1/3 nutritionist
60 student in CPY	1 Tertian student	1 student in internship

60-65 new patients per year (solid tumors, malignant hematologic diseases)
11 beds + daily outpatient department

since 2009: Medical Chair of interdisciplinary psychosocial meetings of Department of Pediatric Hematology and Oncology 2A at St. Anna Children's Hospital: >15 participants.

since 2009: Chair of "Patient's parents Café" of Department 2A together with the psychologist

03.07.2019: Participation in Workshop for Leadership Positions: Health Consult

since 2019: Deputizing the Medical Director Prof. W. Holter and his deputy Dr. M. Dworzak on an ad hoc basis as Head of whole Department of Pediatric Hematology and Oncology (Highest level of care)

since 2019: Deputizing the Medical Director Prof. W. Holter and his 2 deputies Dr. M. Dworzak and E. Pracher on an ad hoc basis in the Management of the whole St. Anna Children's Hospital (highest level of care): 81 physicians

since 2019: Deputy of the vice Medical Director Dr. M. Dworzak for Pediatric Hematology and Oncology at St. Anna Children's Hospital (highest level of care)

since 2019: Interview partner, on behalf of the Vienna Red Cross (owner of St. Anna Children's Hospital) and Medical Director Prof. W. Holter, in print, digital & traditional media

since 2019: Organisation of the staff roster at the Departments of Pediatric Hematology and Oncology at St. Anna Children's Hospital

since 2020: Continued personal coaching and education in management skills by Dr. A. Höfler

Competence in employee leadership and motivation: attachment 5c:

since 2009: Chair of training of fellows and residents: selection of 36 physicians trained and educated in Pediatric Hematology and Oncology: attachment 5c

Commitment to quality orientation and personal management skills:

- 2007: Member of the Quality Control Committee for ISO-9001 certification of the Department of Pediatric Hematology and Oncology at St. Anna Children's Hospital
- since 2009: 1st Author / Co-Author of 44 Standard-Operating-Procedures at St. Anna Children's Hospital (attachment 2c)
- June 2023: Accepted for the module „Krankenhausführung und Organisation (Strategische Planung, neue Organisationsformen, Hearing)“ at the Donau University in Krems: 15.-17. June 2023

Experience in interdisciplinary collaboration: attachment 5b:

In Clinics:

- since 2007: Coordinator and Chair of regular central review boards for Hodgkin's lymphoma for the whole of Austria (1x/week)
- since 2009: Representative for leukemia and lymphoma cases at regular stem cell transplantation boards (1x/month)
- since 2009: Cooperation with the following University Clinics in Vienna for multidisciplinary cancer patient care:
Univ. Clinics of Pediatrics and Adolescent Medicine
Department of Pediatric Surgery
Division of Orthopedic Tumor Surgery / Orthopedics
Department of Radio-Oncology
Division of Nuclear Medicine
Department of Pathology
Center for Pathophysiology, Infectiology & Immunology
- since 2009: Member of the "Medication Committee" of St. Anna Children's Hospital for hemato-oncology: cooperation with the Pharmacy of the University Hospital Vienna including a once-a-year meeting
- since 2009: Cooperation with the following specialty areas at St. Anna Children's Hospital for multidisciplinary cancer patient care:
Department of Stem Cell transplantation
Gastroenterology
Nephrology / urology
Pulmonology / allergy
Endocrinology / Diabetes mellitus
Cardiology / rheumatology
Immunology
Neuropediatrics
Follow-up care in Pediatric Hematology and Oncology
ENT Department (diagnostic tumor/lymphoma procedures)

- since 2009: Cooperation / reference counseling with / of the following clinics in Austria for cancer patient care:
 Department of Pediatric Hematology and Oncology in Graz
 Department of Pediatric Hematology and Oncology in Innsbruck
 Department of Pediatric Hematology and Oncology in Linz
 Department of Pediatrics and Adolescent Medicine in Leoben
 Department of Pediatrics and Adolescent Medicine in Salzburg
- since 2010: Intermittent Chair of regular interdisciplinary tumor boards (1x/week)
- since 2010: Coordinator and Chair of regular cytomorphology/immunophenotyping/ genetics boards for leukemia and lymphoma (1x/month)
- since 2019: Multidisciplinary cooperation within the Austrian CAR-T-cell Network: as the Austrian PI for indications in pediatrics: ALL, NHL
- since 2022: Cooperation with Austrian enters of adult hematology as the PI for the up-coming AIEOP-BFM ALL 2025 trial (adolescents and young adults with ALL)
- since 2022: Clinical Representative of St. Anna Children's Hospital in PED-ONE project
- since 2023: Principal Investigator of the Platform "primary and relapsed ALL indications for allogeneic stem cell transplantation / bridge to transplant" in ALL-SCTped FORUM2 trial

In Research:

- since 1999: St. Anna Children's Cancer Research Institute
 S2IRP (Studies and Statistics on Integrated Research and Projects)
 Framework of the i-BFM Study Group (ALL, NHL)
 Framework of the ALL and NHL BFM Study Groups (ALL, NHL)
 Framework of the IntReALL Study Group (relapsed/refractory ALL)
 Framework of EICNHL (NHL)
 Framework of the Ponte-di-Legno Study Group (ALL)
- since 2019: Comprehensive Center of Pediatrics: involved in working groups:
 Boards
 Phase I / II / III trials
 Education and Training
- July 2022: Comprehensive Cancer Center (1st application for Pediatric Hematology, Oncology and Neuro-Oncology provided in 07/2022 together with PD Dr. Johannes Gojo from the University Clinics of Pediatrics and Adolescent Medicine)
- since 2022: Cooperation in the field of CAR-T-cell therapy
 Institute of Immunology, Center for Pathophysiology, Infectiology and Immunology, Medical University of Vienna (Ass. Prof. P. Steinberger)
 TCR beta family specific CARs for T cell lymphoma therapy
 (submitted to the Austrian Science Fund, FWF)

Advisory Boards:

- since 2020: Jazz Pharmaceuticals (Development of recombinant Erwinase)
- since 2018: Novartis (Issues related to Tisagenlecleucel)
- since 2018: Amgen (Issues related to Blinatumomab)
- since 2022: Roche (Issues related to Tabelecleucel)

Data Safety and Monitoring Committee Member of Company-driven Trials:

- since 2022: Phase I/II trial iMATRIX GLO (Glofitamab in r/r B-NHL)
- 2017-2020: Phase I/II trial SPARKLE (Ibrutinib in r/r B-NHL)

Specific Collaboration with School Teachers of Patients with Pediatric Cancer:

- 2019: Production of the Film: "A Letter from the Hospital"
<https://www.stanna.at/schulfilm>
Editorial Board: Teachers, Psychologists, Nurses and Andishe Attarbaschi
Awarded by the OeOGH with the Occursus Prize for Communication in Oncology

Awards:

- 2005: Award of the Austrian Society of Pediatric and Adolescent Medicine:
14.000 € for the best haemato-oncological Paper from 2004:

"Incidence and relevance of secondary chromosomal abnormalities in children with TEL/AML1+ acute lymphoblastic leukemia: an interphase FISH analysis"
Leukemia 18: 1611-1616 (2004)
- 2009: Award of the Austrian Society of Pediatric and Adolescent Medicine:
14.000 € for the best haemato-oncological Paper from 2008:

„Minimal residual disease values discriminate between low and high relapse risk in children with B-cell precursor acute lymphoblastic leukemia and an intrachromosomal amplification of chromosome 21: the Austrian and German acute lymphoblastic leukemia Berlin-Frankfurt-Munster (ALL-BFM) trials"
Journal of Clinical Oncology 26(18): 3046-50 (2008)
- 2011: Patzelthof Foundation prize for honorable activities at St. Anna Children's Hospital
- 2014: Award from the Ministry of Health of Moldova for developmental aid in Pediatric Hematology and Oncology in Moldova
- 2020: Patzelthof Foundation prize for honorable activities at St. Anna Children's Hospital

Certificates: attachments 1 and 3j:

GCP Training Courses: 2007, 2010, 2012, 2013, 2014, 2015, 2016, 2018, 2021, 2022

EPLS (European Pediatric Life Support)-Course of the ERC (European Resuscitation Council) received 13.06.2010 (valid: 5 years)

EPLS (European Pediatric Life Support)-Course of the ERC (European Resuscitation Council) received 29.10.2017 (valid: 5 years)
