

## **Ap. Prof. Priv.-Doz. Dr. med. univ. Johanna GEBHART, PhD**

Medical University Vienna  
Department of Medicine I, Clinical Division of Hematology and Hemostaseology  
Waehringer Guertel 18-20  
1090 Vienna  
Austria  
+43/650/424 48 84  
johanna.gebhart@meduniwien.ac.at

ORCID ID 0000-0002-4578-3120

Date of birth: 27.12.1983  
Nationality: Austrian

### **ACADEMIC MILESTONES AND POSITIONS**

---

10/2023	Program Director for Thrombocytopenia at the Medical University Vienna
Since 10/2023	Board Certified and Consultant in Internal Hemato-Oncology
Since 09/2019	Board Certified and Consultant in Internal Medicine
03/2018-ongoing	Associate Professor at the Medical University of Vienna, Vienna, Austria ("EV"-criteria fulfilled 2021)
12/2018	Venia docendi for Internal Medicine Post-doctoral Thesis: "Lupus anticoagulant positivity as risk factor for thrombosis and increased mortality"
09/2010-12/2015	PhD Studies N094 (Doctor of Philosophy), Medical University Vienna PhD-Thesis: „Revealing new mechanisms of mild-to-moderate bleeding tendencies: Assessment of plasma clot properties and hyperfibrinolysis in patients with mild bleeding disorders"
10/2019-04/2020	Guest researcher, Laboratory Prof. T. Bakchoul Eberhard Karls Universität, Tübingen, Germany
10/2011	Guest Researcher, Laboratory Prof. A.S. Wolberg University of North Carolina, Chapel Hill, USA
10/2001-05/2008	Doctoral studies N201, Medical University Vienna
09/2015-09/2016, 12/2017-03/2019, 02/2021- 02/2022	Maternity leaves

### **POSITIONS IN INTERNATIONAL SOCIETIES AND WORKING GROUPS**

2019-2023	Co-chair of the Lupus anticiagulant Scientific and Standardization Committee (SSC) of the International Society on Thrombosis and Haemostasis" (ISTH)
04/2017-2021	Active member of the Bridge-BPD Consortium, University of Cambridge Active member of the Thrombogenic-Project, University of Cambridge
09/2013-dato	Active member of the ThromKid-Project (GTH)
05/2019-dato	Co-Author of EHA, Onkopedia, and other Guidelines and Recommendations

Active member of the professional societies ISTH, GTH, ÖGIM, OeGHO

## SCIENTIFIC TRAINING

---

2021- dato	Principal Investigator of Academic Studies and Bioregistries Vienna Bleeding Biobank Vienna ITP Biobank Lupus anticoagulant and Thrombosis Study
2021-dato	Principal Investigator of Clinical Studies Phase III-IV
2008-dato	Sub-Investigator in Clinical Studies Phase I-IV
2009-dato	Independent ICH/GCP E6 (R2) Trainings

02/2019-06/2019	Leadership Curriculum, Medical University Vienna
09/2009-10/2010	„Schrittweise“- curriculum, Medical University Vienna
11/2011	Intensive course for clinical hemostaseology, Gesellschaft für Thrombose und Hämostase (GTH)
11/2012	„Medical Education“, MLW-Certificate
2008-dato	Lecture activity at national and international conferences

## PRIZES AND AWARDS

---

07/2024	Medical-Scientific Fund of the Mayor of Vienna
07/2020	Anniversary Fund of the OENB
05/2020	Medical-Scientific Fund of the Mayor of Vienna
02/2019	Rudolf-Marx Scholarship, Gesellschaft für Thrombose und Hämostase (GTH)
02/2018	Hans Egli Scholarship, Gesellschaft für Thrombose und Hämostase (GTH)
05/2016	Award for cardiovascular research, Hans und Blanca Moser Stiftung and ÖKG
01/2016	Dissertation Award, Verein zur Förderung von Wissenschaft und Forschung (vfwf)
06/2015	Young Investigator Award, International Society on Thrombosis and Haemostasis (ISTH)
11/2011	Bayer Hemophilia Clinical Training Award

## MAIN AREAS OF RESEARCH

---

Primary and secondary immune thrombocytopenia (ITP)  
Mild to moderate bleeding tendency  
Bleeding disorder of unknown cause  
Von Willebrand Disease  
Hereditary thrombocytopathy and thrombocytopenia  
Lupus anticoagulant  
Rare coagulation disorders and coagulation factor deficiencies

Vienna, 20<sup>th</sup> September 2024
