Primary, secondary and high school education in Vienna and Klagenfurt, Austria, medical studies at University of Vienna.

Training as a family physician, general surgeon, trauma surgeon and pediatric surgeon completed at the University of Vienna and several other Hospitals of primary, secondary and tertiary levels in Austria. Numerous courses and short educational stays in Germany, USA, Ireland, Sweden, Italy, Canada and South Africa.

Special education including neonatal surgery, surgery in very low birth weight infants and extremely low birth weight infants, minimal invasive procedures in infants and in adults.

Scientific work on clinical studies regarding minimal invasive procedures in pediatric population, vascular malformations and tumor markers.

Involvement in the setup of pediatric surgical units at different Hospitals - two in Austria, one in Malaysia, one in Abu Dhabi and one in Kazakhstan. Those functions gave me considerable expertise in management, development and implementation of Surgical units. I was also strongly involved (partly leading function) in ISO and JCI certifications during my career.

“venia docendi” - professorship 2004 and appointment subsequently as associate Professor of Pediatric Surgery of the Medical University of Vienna.

Publications mainly on the subject of minimal invasive surgery in pediatric surgery and diagnosing and treatment of appendicitis.

In 2004 completed a postgraduate study with a diploma and 2011 finished an international MBA study both in Health Care Management (Medical University of Vienna)

Assignment and certification as a medical expert of the Austrian Court in 2003.

In November 2009 appointment as a adjunct associate Professor at the Faculty of Health Sciences at Arab medical university (Al Ain, Abu Dhabi) as well as a surgeon and head of the pediatric surgical department of the Al Ain Hospital. Certification and License in Abu Dhabi as MD –Consultant Pediatric Surgery.

In 2010 appointment as the Chief Medical Officer of the National Research Center for Maternal and Child Health in the capital of Kazakhstan, Astana, a 500 bed tertiary care hospital for gynecology, obstetrics and pediatrics affiliated to the medical university (Nazarbayev University).

From January 2014 appointment as first head of the OT management (17 operating theatres) at the University Hospital Graz (Medical University of Graz).

From January 31st, 2015, return to the Medical University of Vienna as Assoc. Professor of Pediatric Surgery.
